## Covid-related rules and practices

### Covid Pre-Health screening

All participants (athletes, officials, support staff) attending the event will need to fill in a pre-event health questionnaire online. Please register in our online system <https://www.m-start.de> as a team manager (if you don't have a login yet from previous regattas in Munich). We will assign your athletes in the system automatically and you can fill in the questionnaires online or send them to your participants separately via email.

### Covid Test Centre Opening Hours

Daily rapid (antigen) testing will be offered on site in boat hangar 7 (shuttle stop side, Venue Map No. 5). The opening hours are:

Tickets can be purchased online at a price of 10 € per day. Please check our website at [www.regatta.de](http://www.regatta.de) for up-to-date information on the ticketing process.

Access to the area will be via the Munich Beach Resort. Parking for spectators will be 5 €/day.

Food services will be available at the Munich Beach Resort.

Please note: Germany's so called "3G-rule" (geimpft, genesen, getestet – vaccinated, recovered, tested) applies for any ticket purchase and will be checked upon entry.

As per the COVID Response Plan, Teams are required NOT to enter the spectator area, and should limit contact with spectators (keeping team and crew bubbles where possible). Team viewing is possible on the terrace under the nations flags on the side of the course opposite the finish tower.
