## Donostia / San Sebastián

Donostia / San Sebastián is a beautiful, sumptuous and romantic city, a unique city, surrounded by beaches and mountains, where quality of life and comfort are priorities.

Is a city with 186,000 inhabitants, with a level of cultural activity that is rare for a city of its size. The beauty of its Bay, known as the Pearl of the Cantabrian Sea, the way that it faces out to sea like an incredibly beautiful Amphitheater, with the sea and the mountains just a step away, its quality of life and its famous cuisine have made it a top tourist destination over the last two centuries.

Donostia / San Sebastian is a high level tourist destination for different reasons; gastronomy, beautiful beaches, multiple proposals for excursions.

## Location

Donostia / San Sebastián is recognized by its sea water quality and has been awarded with the ECOPLAYAS flag for the three beaches, for its environmental management. This award is based on the EU EMAS certificate and on the 14001 ISO, and guarantees the quality of their maintenance. This eco label award ensures the sea water is analyzed regularly and acknowledges the excellent quality of the water.

The European Rowing Coastal Championships will take place at the Concha Bay having the starting point at the Ondarreta Beach, that is the westernmost beach of the city, and the European Beach Sprint will take place at Ondarreta Beach.

## Typical Weather Parameters

At the end of October, the typical values we may expect are the following:

[#erc2022](#)

[Home - European Rowing Coastals 2022 | San Sebastián](#)

<b>Average air temperature (max)</b>	19 °C
<b>Average air temperature (min)</b>	12 °C
<b>Water temperature</b>	17.5 °C
<b>Average wind speed</b>	5 m/s
<b>Typical wind direction for october</b>	SW
<b>Sunrise</b>	08:40
<b>Sunset</b>	19:01
<b>Average humidity</b>	50%

[Irutxulo Pasealekua, 4, 20008 Donostia, Gipuzkoa](#)

Boat park, Beach and Coastal races

## Event Dates

The European Rowing Coastal Championships will take place from 27th to 29th October 2022 .

## Entries

**Registrations will be made through the respective National Federations!!!!**

<https://www.rockthesport.com/en/event-access>

A maximum number of 5 Club crews may be entered per member federation, per event for the European Rowing Club Coastal Championships. This number may be adjusted by European Rowing and the Organising Committee after the preliminary entry deadline, if required.

A maximum of 2 national team crews may be entered per event for the European Rowing Coastal Championship events.

A maximum of 1 national team crew may be entered per event for the European Rowing Beach Sprint Championship.

Registrations are free of charge when it is for a country selection and a price of 35,00€ per seat when it is a club registration.

To register, contact your National Federation. The needed access keys will be communicated to every National Federation.

## Entrée fee

The entry fees for the ERCSBC 2022 will follow the World Rowing conditions, i.e. €35,- per seat for all clubs races, where €5,- will be donated to the European Rowing Development fund. For Member Federation races are no fees.

[#erc2022](#)

[Home - European Rowing Coastals 2022 | San Sebastián](#)

## Accreditation

Crew members and team officials will receive an accreditation card at accreditation. Team Managers or Crew Captains will be required to bring photo identification (passport or international identification card) of all crew members to collect the accreditation cards for their crews. All competitors are required to carry their accreditation cards with them throughout the Championships

## Crews registration

Please note that Registration closes at 16:00 hrs on wednesday 26h of October.

All crews are required to confirm their entry at the crew Registration table at the venue. Crews that fail to confirm their entry will not be entered into the Draw.

## Venue and Course opening times

The venue will be open for accreditation and registration beginning on Tuesday, 25th of October from 12:00 hrs. The course will be officially open for training from 09:00 on Wednesday 26 October 2022. Training times will be arranged on a booking basis.

## Uniform

According to the World Rowing regulations, each team member/crew must display on their racing suit the three-letter country code and their family name, following the format below.

Position	Font	Height (mm)	Width (mm)	Case	Example
Front: family name	Arial	50	120-150	Uppercase	EVANS
Front: country code	Arial	50	60-100	Uppercase	GBR
Back: country code	Arial	100	150	Uppercase	GBR

## Race course

The rowing course will be in and around La Concha Bay beacons with buoys, with a mass beach start and water finish. The starting beach is a fine sandy beach. Once in the water, the seabed gradually increases. There is no long wave and especially at high tide the wave is totally shoreward. Crews should have two experienced boat handlers at the start of the race and at shore for boat retrieval after the race. The course length will be 4 km for Heats and B Finals and 6 km for A Finals.

Racing will be run in accordance with the World Rowing Rules of Racing and Appendix R18 – Coastal Rowing Competition Regulations. See [www.worldrowing.com](http://www.worldrowing.com)

# LOGISTICS

## Accommodation

Donostia / San Sebastian is a very touristic city and even if the hotel offer is wide, it is hard to find a room on weekends or peak season.

That's why we strongly advice to all the participants in the European championship, to make the hotel reservations as soon as possible.

In order to find accommodation, the following links maybe useful:

San Sebastian Tourism:

<https://conventionbureau.sansebastianturismoa.eus/en/congresses/accommodation>

## Event transportation

Location and how to arrive:

<https://conventionbureau.sansebastianturismoa.eus/en/mice-city/practical-information/location-how-to-arrive>

How to move:

<https://conventionbureau.sansebastianturismoa.eus/en/mice-city/practical-information/how-move-maps-transport>

Map:

<https://www.sansebastianturismoa.eus/images/ssturismo/pdf/san-sebastian-tourist-map.pdf>

### Restaurants

For the meals of the teams, we have reached an agreement with the dining room of the University of the Basque Country (UPV), 10 minutes walk from the beach, where for a price of 7.50 € the participants can eat 1 first course, 1 second course and 1 dessert to choose from self service.

#### **Restaurant address:**

[U.P.V, Pl. de Elhuyar, 1, 20018 Donostia-San Sebastian, Gipuzkoa](#)

In the surroundings of the beach there are many restaurants and bars that serve healthy and tasty meals. Do not forget that Gipuzkoa is the place with more Michelin stars in the world, per square meter.

## HEALTH CENTERS

The hospital area of San Sebastian is located in the upper part of the neighborhood of Anoeta, consists of 3 interconnected hospitals (Hospital Amara, Hospital Nuestra Sra de Arantzazu, Hospital Gipuzkoa) and internationally recognized for its category, a little further on is the Policlinica Gipuzkoa.

There are also health centers distributed throughout the city.

# SUSTAINABILITY

## Taking care of the future

As an event hosted on the sea, we are especially conscious of our impact on the environment. That is why we collaborate with the San Sebastian City Council in the ItsaSOS project (In Basque Itsaso = Sea).

The initiative consists of making people aware that it is not only what is thrown directly to the sea, but also what is thrown into the rivers, in the street (cigarette butts, chewing gum etc. end up in the sewers) and from there into the sea.

Three key areas of work have been identified with specific actions to be place, including the use of electric support boats, taking measures to reduce car travel and aiming to get a large number of the necessary volunteers from the area.

### Our target: responsible use of resources

Use resources responsibly and wisely and in a way that reduces the carbon footprint of the event. Indicators we will monitor include:

- Achieve a 70%-80% general waste recycling rate at the event for street waste collection
- Showcase the use of 1 electric boats with solar panels, for support and for VIPs or Press.
- Try to minimize travel as much as possible and to use sustainable vehicles as much as possible.
- Achieve a single use plastic free event for items purchased by the event
- Water refill stations to be available
- Volunteer clothing sustainably sourced
- Locally sourced produce/materials for podium

### Protecting people and the planet.

Ensure the event is environmentally responsible and ensures the wellbeing of the people who are impacted by it and the landscape that hosts it. Indicators we will monitor include:

- Operational guidelines in place to deal with and report potential pollutants.
- Active travel (walking and cycling) options.
- Litter pickers on site, with containers for the recycling of different products.
- Create a power plan that maximizes use of grid energy.
