VENUE

Trakai, Lithuania

The name of Trakai was first mentioned in Teutonic Knights chronicles in 1337. This year is considered to be the official date of town's foundation.

Trakai - historical capital of ancient Lithuania fascinates with its wooden architecture, medieval castle, and magnificent scenery and at the same time – a modern face of the town. Galve Lake, where Amber Oars regatta will be held, at its deepest point is 46.75 metres (its area is 361 ha). The pride of Trakai is the Island Castle, the only castle in Eastern Europe built on an island, now a museum on the Galve Lake.
